NOTICE OF INSTRUCTIONAL CALENDAR CHANGES FOR THIS YEAR

As I am sure you are aware, this school year we have been forced to use several (5 days) emergency days due to the weather and at this point we have exhausted all of the days.

This year's instructional calendar has two contingent holidays built into it and because we must be in session 176 days we will be making the following changes to the calendar.

Monday, April 22, 2019, will be a **full day of school** with students.

Any future emergency days used from February 26 to April 18, 2019 will result in the following days (in this order) being added back into the schedule.

Emergency Day 6: Full day with students April 15, 2019

Emergency Day 7: Full day with students April 16, 2019

Emergency Day 8: Full day with students April 17, 2019

Emergency Day 9: Full day with students April 18, 2019

If an emergency day is needed after April 18, 2019 the following will occur:

Full day with students May 24, 2019 (currently a contingent day)

Full day with students June 27, 2019

Full day with students June 28, 2019

Sincerely,

Bill Christensen Ed. D
Superintendent of Schools
