SIDNEY ELEMENTARY SCHOOL DROP OFF & DISMISSAL TRAFFIC FLOW

1. Parent pickup and drop-off locations for students in grades UPK-6 will be in front of the elementary school.
2. Dismissal:
 - All students who are parent pickup will be lined up by grade level along the sidewalk at specific locations. Please drive up to the grade level line (indicated by a sign) and load your child on the passenger side of your vehicle only. If you need to load more than one child from multiple grade levels, please drive to the next appropriate grade level line. Once your child is loaded, please exit the parent pickup line and follow the traffic flow pattern out of the parking lot. Do not park along the parent pickup lane and exit your vehicle as traffic needs to keep moving to allow all parents to pickup their child. If you need to enter the building or wait for your child, please park in one of the many visitor parking spots in the upper lot and enter through the main office.
 - All students who ride the bus will be picked-up and dropped-off in between the elementary school and the Jr/Sr High School. There will not be access to the back lot during the school day.
3. The doors will open at 7:40 a.m. with the instructional day beginning at 8:05 a.m. Students arriving after 8:05 a.m. should be brought to the main office by a parent/guardian must enter through the main office and obtain a late pass.
