

Señor Gray's Lingy Challenge #8

A timely message

Lingy Challenges help stretch your mind and think a little differently. If you like puzzles, you might enjoy trying this out. This week's puzzle is a **language code puzzle**. Inspired by some of the crypto-language and secret language puzzles in previous Lingy Challenges, two third grade students from Sidney Elementary School developed this timely puzzle.

The Challenge:

Look at the message below. Decipher it. Use the decoded word(s) in the box as a key toward solving the puzzle. As a bonus, see if you can figure out who created the puzzle.

~~AA~~ ~~EE~~ AA ~~Y~~
X # A ~~S~~ ~~E~~ ~~AA~~ ~~SS~~

~~AA~~ ~~EE~~ = me
~~EE~~ ~~SS~~ ~~AA~~ = Tom
