

Señor Gray's Lingy Challenge #9

A Japanese Logic Puzzle

Mrs. Blackmeadow, Mr. Redpine, Ms. Whiteroot, and Mr. Bluesea all want to buy presents for their loved ones. Each prefers to buy presents that contain a color that matches their name. The box below contains some Japanese words with their English translations that will help you solve the puzzle.

<u>Japanese Romaji</u>	<u>Japanese Characters</u>	<u>English</u>
akage	赤毛	'redhead'
aome	青眼	'blue eyes'
kuroge	黒毛	'black hair'
shiraari	白蟻	'white ant'
shiraga	白髪	'white hair'
shiraha	白帆	'white sail'
kuroari	黒蟻	'black ant'
kurokuma	黒熊	'black bear'
aozora	青空	'blue sky'

Using the data above, decide which present each person buys by drawing a line from their name to the correct present in the box below:

<u>Person:</u>	<u>present:</u>
Mrs. Blackmeadow	青花
Mr. Redpine	白菊
Ms. Whiteroot	赤玉葱
Mr. Bluesea	黒猫

Next, using the data above, translate the following words into either English or Japanese:

<u>Romaji</u>	<u>Japanese Characters</u>	<u>English</u>
akaari	赤蟻	
kuroge	黒毛	
	白熊	Polar bear
