

Sidney CSD is excited to partner with the Cullman Center to be able to offer a full and half day UPK program for our youngest learners. We are looking forward to growing our community partnership with the Cullman Center.

- Eben Bullock, Superintendent

We are so excited to have the opportunity to work with the Sidney Central School District to provide our high quality Montessori Preschool program for all of the interested four year old students in the district. The Cullman Center has been providing childcare for over 30 years to the Sidney community and beyond, and we are thrilled with this new partnership.

UPK Warriors

The Sidney CSD and Cullman Child Development Center are thrilled to announce their partnership to bring Universal PreKindergarten (UPK) to more families. UPK Warriors is located at 90 W Road, Sidney. Families will have the option of a full or half day program. Eligible children will turn age 4 by December 1 and reside within the Sidney CSD. The UPK Warriors program is available to families at no cost. We will offer AM and PM transportation.
